

sc_main

```
graph LR; A[sc_main] --> B[EmbeddedSystemX::selfTest Failed]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'sc_main'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'EmbeddedSystemX::selfTest' on the top line and 'Failed' on the bottom line.

EmbeddedSystemX::selfTest
Failed
